#### **SUMMARY**

## Hello!

Hi there! My name is Don Alfons Nisnoni. I'm a front-end web developer from Indonesia.

I mostly do front-end web development on my daily programming activity. I learn web development in 2015 when a *web programming* lecture is introduced to me on my campus. I falling in love with web development and always looking forward to building things and products with it.

# Fresh graduate

I just graduated back in november 2020 with GPA of 3.44. Actually, I finished my college on december 2019. But because of COVID-19 pandemic, the graduation ceremony is postponed.
